PRIMAL ASTROLOGY REPORTS

This report is titled the "Destiny and Decisions Forecast" because there is an element of the future that you cannot change; this is your destiny. But you also have choices and options available to you; these are your decisions.

This report predicts where the planets are in the current time period, when they will be forming aspects to your natal planets, what influences these aspects bring, and how long they will last--as far into the future as you wish to look. THIS is truly PREDICTIVE ASTROLOGY!

Our report goes beyond the limitations of most astrological forecast reports in two very important ways: (1) we go into a much more detailed interpretation for the heavier aspects that could have a greater impact on your life, and (2) we include some suggestions for you to consider regarding how you may deal with the influences. This should eliminate the need for further counseling in most cases.

Your forecast begins on the next page. If the time period for an interpretation is, for example, given as "July 1, 1999 (June 15, 1999 to July 15, 1999)", then it starts in mid-June, reaches greatest intensity around July 1, and ends in mid-July. The first date listed is the time when the influence has reached maximum strength.

An influence may last for as little as a week to as long as half a year or so.

To obtain maximum benefit from this report, we recommend a periodic study and review of the information as the time period unfolds--once a week, at least, and more often when there are significant things going on in your life. It is always good to keep a diary or a journal to get a sense of the timing of the transits and a history of how they affected your life.

FEBRUARY 2016

Feb 1, 2016 9 PM(Jan 31, 2016 to Feb 2, 2016) Sun Oppos Asc

TRANSITING SUN OPPOSITE THE NATAL ASCENDANT--This transit brings all kinds of encounters with others. It encourages you to learn about yourself psychologically through the way you experience and affect other people. There could be ego conflicts, but it is a good time to get things out in the open. Compatible partnerships will work well unless you challenge them. It is a good time to consult with a professional expert or consultant.

Feb 1, 2016 (Jan 31, 2016 to Feb 23, 2016) Sun 7th H.

TRANSITING SUN IN THE SEVENTH HOUSE--When the Sun transits this house of your Natal chart, it influences the departments of life most strongly affected by the individual will and power potential. With a seventh house Sun, you may begin to express your power potential through close personal relationships, and you are likely to attract strong, capable, and close, loyal friends. Marriage is important to you, and you will attract a strong, loyal mate with enduring affection. You are especially good at public relations, gaining popularity, dealing with superiors, and showing a self-confident manner. You need to watch for tendencies to dominate others. If you catch yourself doing this, stop and respect their individual self-expression.

Feb 2, 2016 8 PM(Feb 2, 2016 to Feb 3, 2016) Sun Sqr Nep

TRANSITING SUN SQUARE NATAL NEPTUNE--This transit can bring a low energy level, both physically and psychologically. If you feel tired and unable to get started, just know that your body needs the day off. Knowing in advance, do not put off things that need to be done until this day. It is also not a day for projects that require great self-confidence and courage--you just won't have it. Avoid deception from yourself and others. On the positive side, the transit could enhance your idealism and produce a beautiful moment. You can work to make it come true, but don't be discouraged by a gap between your ideals and your reality.

Feb 3, 2016 (Feb 2, 2016 to Feb 27, 2016) Ven 6th H.

TRANSITING VENUS IN THE SIXTH HOUSE--Venus transiting in the houses influences how you express yourself socially, romantically, and artistically in the various areas of your life. The sixth house transit indicates that your social activities and romantic involvements are likely to be established through your work. And--your work will probably be connected with artistic pursuits and social doings, which you will thoroughly enjoy. You love beautiful clothing and could be very talented in dressmaking and design. You could also try music, art supplies, home decorating, or commercial art and design as vocational or professional endeavors during this time.

Feb 3, 2016 10 AM(Feb 2, 2016 to Feb 4, 2016) Sun Sxtil Jup

TRANSITING SUN SEXTILE NATAL JUPITER--The ancient astrologers called this a lucky transit. Actually, it gives you a positive frame of mind which is at the root of most successes. It is a good time to reflect on your life and review your goals. You are able to visualize the big picture, and can begin working toward your ideals, which are likely to be high under this transit. You can work harmoniously with others at this time, even with those in authority. It is also a good time to be with friends, and personal relationships should be harmonious during this transit. Positive influences for expansion are indicated, and this is a good time for further education, career planning and/or even a possible career change.

Feb 3, 2016 6 PM(Feb 2, 2016 to Feb 4, 2016) Ven Sxtil Nep

TRANSITING VENUS SEXTILE NATAL NEPTUNE--This a short, pleasant transit which can arouse the creative and romantic imagination. Relationships are harmonious and can be enhanced by spiritual influences. Although, you should spend some time alone in a pleasant and beautiful environment: a landscape, seascape, flower garden, or forest. If it puts you into a sweet, dreamy fog, who's to say we don't need that kind of a day once in a while?

Feb 4, 2016 2 AM(Feb 4, 2016 to Feb 5, 2016)

Ven Conj Moon

TRANSITING VENUS CONJUNCT NATAL MOON--This conjunction combines feelings of love and affection. You are likely to be in a dreamy and romantic mood, and will want to spend a quiet time with someone you love. It is not a wildly erotic Venus transit, but mainly a time for expression of affection, especially for family and relatives. Relations with women should be especially positive. Beware of the tendency for overindulgence in food and drink. Enjoy!

Feb 4, 2016 5 AM(Feb 4, 2016 to Feb 5, 2016)

Ven Sqr Jup

TRANSITING VENUS SQUARE NATAL JUPITER--Square aspects usually bring challenges and/or obstacles to overcome, but this one is rather mild. It is another "feel-good" transit, and it favors personal relationships. You will enjoy the company of others, and they will like being with you. You are likely to have very little self-discipline during this time, so beware of the risk of overindulgence. It is a good time for doing almost anything you enjoy doing, as long as you don't have to do it. Your mind is capable of making good decisions, but your emotions could lead to excess. Practice patience and look toward the spiritual side of your life.

Feb 7, 2016 10 AM(Feb 6, 2016 to Feb 8, 2016)

Sun Trine Sun

TRANSITING SUN TRINE NATAL SUN--This transit occurs twice a year: four months before your birthday and four months after. It is a time of balance and equilibrium in your life, when you can be yourself with the least amount of obstacles from people or circumstances. Your energy level should be high and you can work or play with vigor and enthusiasm. Things may be going so well, in fact, that you are tempted to think they will always be that way. "However . . ." Now is a time to firm up your affairs and make them strong enough so that they can weather turbulence and trouble which could come later on. Your energy level is high and your stress level is low, making it possible for you to accomplish this with minimal effort at this time. On the trine preceding your birthday, you should stop and review your recent achievements. Decide how you can use them to prepare for the future and what lasting value they can provide. Don't be complacent, for you will still have challenges to face. Also examine those matters which did not work out, salvaging those that may be worthwhile and discarding the others. Waste no energy on regrets. During the trine following your birthday, also, examine the projects that have worked out well in the last few months and prepare for a time in the near future when they will reach a critical culmination. Prepare yourself for their success. And for those that did not work out so well, decide which are worth saving and cut your losses by discarding the deadwood. Prepare to be firm, since discriminating between them may be difficult. The quiet pace of this trine aspect will assist and comfort you in these decisions.

Feb 10, 2016 12 AM(Feb 9, 2016 to Feb 10, 2016)

Merc Trine Merc

TRANSITING MERCURY TRINE NATAL MERCURY--This supportive trine aspect helps your mind in everything it has to do. Your thinking is clear and precise. This is an excellent time for making plans and for communicating them, especially in business and commercial transactions. It is also a good time for traveling to see something new. Your curiosity will be highly aroused and expanding your mental and communications skills will come easy. It is a good time for learning and study.

Feb 10, 2016 5 PM(Feb 10, 2016 to Feb 11, 2016)

Merc Trine Ven

TRANSITING MERCURY TRINE NATAL VENUS--Under this supportive Trine transit, your mind turns to beauty and pleasure. It is a good time to give serious thought to artistic expression, but you will not want to get too heavy. You want things pleasant, and you will avoid saying unpleasant things. It is a good time to smooth over any ruffled feathers which may have cropped up in your relationships. It is also a good day for meeting new friends.

Feb 12, 2016 9 AM(Feb 12, 2016 to Feb 13, 2016)

Sun Conj Sat

TRANSITING SUN CONJUNCT NATAL SATURN--This aspect will nag you to turn your attention to your duties and responsibilities, things you may not want to do, but feel you must. These duties can be more imagined than real, but they often are very real. One measure of the mastery of life is to be able to recognize reality, and this a good time to begin to disseminate. What you accomplish under this transit could be of lasting benefit when you follow the illumination of the Sun and the discipline of Saturn. This is an excellent time for organization and planning and to promote form and order. Just don't let it extend to the point of trying to order and organize people--you could meet resistance. Your energy may be low, so you will need to conserve it by careful planning and doing only what is necessary. You will feel pressure from any necessary tasks you leave undone during this period. This may not be an emotionally comfortable transit when it comes to relating to people, but don't dwell on feelings of loneliness and depression. Get to work--that is what this transit is all about.

Feb 13, 2016 9 AM(Feb 12, 2016 to Feb 14, 2016)

Ven Trine Merc

TRANSITING VENUS TRINE NATAL MERCURY--Trine aspects are most supportive, and this is a good transit for pleasant thoughts and communication. It is an excellent time to tell someone you love them. All relationships should be pleasant and congenial. You will be light-hearted and ready for a good time. Go for a drive, have a party, or begin a long vacation. It is a good time to just sit back, relax and let your thoughts wander.

Feb 14, 2016 12 AM(Feb 14, 2016 to Feb 15, 2016)

Ven Trine Ven

TRANSITING VENUS TRINE NATAL VENUS--This is a pleasant Venus aspect supporting love, art, money, and domestic relationships. You will be relaxed and let the "good things roll". You are strongly attracted to beauty and the creative arts, but you are not likely to be very ambitious as far as work is concerned. However, inspiration and the good feelings of this transit can prepare you for later productive efforts, so just let it pass.

Feb 14, 2016 1 PM(Feb 14, 2016 to Feb 15, 2016)

Sun Sqr Merc

TRANSITING SUN SQUARE NATAL MERCURY--This transit brings ideas and communications quickly. You will be mentally active, and will need to understand the surface message as well as the underlying meaning. You can make people aware of your ideas and positions, and will be able to get your points across. Square aspects create challenges to be overcome, however. You need to be tactful with others during this time. There could be conflict with others who are just not in tune with your mental speed and energy today. You will need to listen as well as speak. Your energy level is high, and you will be able to assert yourself--but be diplomatic.

Feb 15, 2016 9 AM(Feb 14, 2016 to Feb 16, 2016)

Sun Sqr Ven

TRANSITING SUN SQUARE NATAL VENUS--This is not a typical square aspect, since it can be quite pleasant and easy to handle. The transit can make you very passive, but you may also feel very loving and affectionate to all those around you. There is the possibility of a new (or renewed) love relationship. If you do feel like doing any work, it will most likely be creative, as with arts or crafts. Since square aspects often produce obstacles and/or challenges to overcome, be prepared. Deal with what needs attention. You will prefer to avoid anything unpleasant, but if you let it go without facing up to it, you will be sorry later. You will tend to avoid conflict, and will seek out pleasure, beauty, love and harmony instead. You will have all the inner strength you need to handle whatever comes, so deal with it. Also on the negative side, you could crave excessive self-gratification and could pursue it in unhealthy ways--even at the expense of a loved one. Avoid spending money on foolish whims. Moderation is the keyword.

Feb 16, 2016 2 PM(Feb 16, 2016 to Feb 17, 2016)

Merc Sqr MC

TRANSITING MERCURY SQUARE THE NATAL MIDHEAVEN--Squares produce challenges to be faced and obstacles to be overcome, and this one is no exception. Mercury, the planet of mind and communications is "squared off" against your Midheaven influences toward goals, profession, and recognition. This is a good time for re-thinking and challenging your possibilities of success before carrying out plans you have been making. Give a reality check before making decisions, and before communicating with others about important matters. Your mind will be busy about career and/or job concerns. Let others communicate with you, and listen. You need to keep your mind occupied with matters important to you during this time, and cooperation will further your cause. Seek spiritual guidance for the universal plan for your career, etc.

Feb 18, 2016 5 AM(Feb 15, 2016 to Feb 20, 2016)

Mars Sqr Sat

TRANSITING MARS SQUARE NATAL SATURN--Caution is the keyword under this square. Fear can be a factor in preventing full functioning. Authority figures may discourage you now, actually reinforcing some feelings you are already having about yourself. Inner energies are struggling against your inhibitions, and you need to realize that you can't find self-worth solely from the opinions of others. Control anger, and direct it toward physical activities. The best way to handle this transit is to confront yourself with your own opinions, and don't start anything too big or long-term now.

Feb 19, 2016 10 PM(Feb 19, 2016 to Feb 20, 2016)

Ven Sqr MC

TRANSITING VENUS SQUARE THE NATAL MIDHEAVEN--Squares usually bring problems. This transit may bring a compulsion to be with a special person in order to express your love and affection. You could feel that you are not quite complete alone and you need someone else to help you be a whole person. This doesn't mean you are insecure, but the influences create the need to share yourself with another. Take care, however, not to blow a relationship out of proportion lest feelings of possessiveness and jealousy enter in. This is a good time to pursue your talents by participating in activities relating to beauty and the arts.

Feb 20, 2016 7 PM(Feb 20, 2016 to Feb 21, 2016)

Sun Oppos Ura

TRANSITING SUN OPPOSITE NATAL URANUS--Things will be different and unexpected under this transit. Whatever you think is normal--it won't be. There could be extreme restlessness in relationships and something completely unexpected may come to light. In business or other partnerships, sudden revisions or adjustments may become necessary because of unexpected revelations. You are likely to be extremely restless, also. You need to focus on what it is that is making you feel that way, and what it is that you want. It may not be the time to go after it (whatever "it" is), but it is important for you to find out. The Sun in this transit is trying to show you certain elements of your interaction with the world which you have not considered before, and their relevance to you which you have not adequately recognized before. This energy needs to be discharged in positive ways lest it break out in accident-prone behavior.

Feb 22, 2016 10 AM(Feb 22, 2016 to Feb 23, 2016)

Sun Oppos Mars

TRANSITING SUN OPPOSITE NATAL MARS--This indicates a period when many matters come to a climax in your life. It is the moment of truth for many activities you have been working on, and it will become clear whether you have been operating skillfully and intelligently. Your ego energies are aroused and must not be allowed to function on the unconscious level. You need to elevate your sense of awareness and see things realistically. Anything that makes you angry is usually something with which you have identified your ego. With the best of intentions and understandings, you will be confrontational during this transit. If you can avoid impulsiveness, the results of confrontation can sharpen and define your position. If it is not well thought-out and planned, your position could be invalidated. The area of personal relationships is at greatest risk in this time. You are liable to take them for granted, and not make the effort to create the same quality of awareness that you give to other matters. If you experience negative effects of the transit in the form of arguments and conflicts, look carefully and see what is at stake and try to work out a compromise. You must deal with the hostility and aggression which comes with this transit in such a way that your feelings are truly relieved. Don't suppress them and turn the energies inward, for that could cause self-destructive behavior, accidents, or illness. The beneficial side of this aspect is the motivation it provides toward self-awareness.

Feb 22, 2016 2 PM(Feb 22, 2016 to Feb 23, 2016)

Sun Sxtil MC

TRANSITING SUN SEXTILE THE NATAL MIDHEAVEN--This transit should help you to feel strong, confident and full of vim, vigor and vitality. Optimism and self-confidence is high, and you know inside yourself what you can do--you do not need re-enforcement from others. You are likely to focus your attention on getting ahead professionally during this transit. It is a good time to plan your future course of action. Because of your awareness of personal responsibility and inner strength, your personal and family life also benefit from this aspect.

Feb 23, 2016 3 AM(Feb 22, 2016 to Feb 24, 2016)

Merc Oppos Asc

TRANSITING MERCURY OPPOSITE THE NATAL ASCENDANT--Oppositions usually bring obstacles to be overcome. If you feel confused and don't know how to proceed, this would be a good time for consulting an appropriate "expert", or counselor, for advice. (Maybe an Astrologer?) Communications should be good with spouse or partner. Old misunderstandings and current problems could be discussed openly. It could be a good time for giving and receiving things to be "gotten off the chest"--within reason, of course.

Feb 23, 2016 (Feb 22, 2016 to Mar 8, 2016) Merc 7th H.

TRANSITING MERCURY IN THE SEVENTH HOUSE--Transiting Mercury in the houses deals with the practical affairs that occupy your mind and shows what areas of activity will be influenced by your thoughts and communications. In the seventh house, you are concerned with communication and mental cooperation with others. You may prefer to work in a partnership rather than individually, and your tendency to seek mental companionship may cause you to marry an intellectual. Other relationships are also likely to be with well educated and intelligent persons. You have a general aptitude for psychology and may be skillful in mediation, arbitration and counseling.

Feb 23, 2016 6 AM(Feb 20, 2016 to Feb 25, 2016) Mars Oppos Merc

TRANSITING MARS OPPOSITE NATAL MERCURY--This transit can cause disputes and arguments unless you try to understand other people's points of view. You (and they) are likely to feel somewhat irritable. Therefore, it is not a good time to try to settle arguments. This is a time when your ego is wrapped up in your ideas, and any threat to your opinions can be felt as a threat to the Self. Try to detach, be patient, and use the generous energy to accomplish difficult mental tasks.

Feb 23, 2016 (Feb 22, 2016 to Mar 21, 2016) Sun 8th H.

TRANSITING SUN IN THE EIGHTH HOUSE--When the Sun transits this house of your Natal chart, it influences the departments of life most strongly affected by the individual will and power potential. In this house, your interest will be directed toward the deeper mysteries of life, such as death, and the survival of consciousness after death. This will probably increase in intensity as you grow older. You are likely to work at self-improvement through the application of your strong will. Spiritual principles will be important to you, but they may not come easy. You need to transcend the material level of life. The Sun in this house may indicate inheritances and legacies. You are likely to deal much with taxes, insurance, and partners' or corporate finances. Watch out for trouble in litigation of these kinds of matters. Avoid the tendency to squander others resources.

Feb 23, 2016 7 PM(Feb 23, 2016 to Feb 24, 2016)

Merc Sqr Nep

TRANSITING MERCURY SQUARE NATAL NEPTUNE--Squares usually create challenges and obstacles to face and to be overcome, and this one is no exception. Communications can be confused and misunderstood, especially in business dealings. The transit can be supportive of studies in mysticism, but keep it "down-to-earth". There can be a tendency to idealize and daydream. You will want to keep secrets and avoid confrontations, which will only add to the fog and confusion that is present in your life during this time. Be super careful in business dealings now, lest misunderstandings and misrepresentations obscure the issue. You may easily deceive, or be deceived, either deliberately or unknowingly. Seek spiritual guidance through prayer and meditation before making any major decisions.

Feb 24, 2016 4 AM(Feb 24, 2016 to Feb 25, 2016)

Merc Sxtil Jup

NATAL MERCURY SEXTILE NATAL JUPITER--The mental Mercury and expansive Jupiter influences in this supportive transit directs your attention to the larger issues of life. It is a good time for dealing with business concerns, contracts, and the law. However, daily tasks will not satisfy your interest in the big picture. It is a good time for spiritual, psychic, and mystical studies of the occult. Meditation is indicated.

Feb 24, 2016 (Jan 29, 2016 to Mar 15, 2016)

Ura Sxtil Sun

TRANSITING URANUS SEXTILE NATAL SUN--The influences of this transit are not spectacular, but you could experience many kinds of new and stimulating happenings in your life. Specifically, you can expect sudden opportunities to come up in connection with activities in which it is vital to really express yourself. They could involve new people, new philosophies, and/or new techniques for managing your life. The transit strongly favors the study of astrology. All things during this time seem to support your desire for greater freedom of expression. You are not getting anything you haven't earned--this aspect is telling you who you really are.

Feb 25, 2016 5 AM(Feb 22, 2016 to Feb 27, 2016)

Mars Oppos Ven

TRANSITING MARS OPPOSITE NATAL VENUS--This aspect is almost sure to increase sexual desire. All aspects between these two planets affect sexual relationships, and in this one, the Mars influences could make it aggressively demanding. Suppression could make you irritable, but be sure that you do not allow yourself to become obsessive or physically aggressive. However, if the partner is in the same frame of mind it can be fantastic. Artistic expression can sublimate these desires. Artistic work done while this aspect is in force could be very powerful and unique, which will speak to the observer with a very special quality.

Feb 26, 2016 9 PM(Feb 26, 2016 to Feb 27, 2016)

Merc Trine Sun

TRANSITING MERCURY TRINE NATAL SUN--Trine aspects are supportive and this one is no exception. Your mind should be unusually clear with this transit--especially for all mental work and communications. You can state your case effectively and should benefit from negotiations. It is a good transit for organization and getting rid of paperwork. This is a good time to begin a new learning process or a new course of study, especially if it piques your interest.

Feb 27, 2016 6 AM(Feb 26, 2016 to Feb 28, 2016)

Ven Oppos Asc

TRANSITING VENUS OPPOSITE THE NATAL ASCENDANT--Opposition aspects usually present obstacles to be overcome, but this one is unlikely to do so. This can be an extremely favorable transit for close relationships and one-to-one encounters of any kind. Love or marriage concerns should go smoothly, and it makes for a good time to iron out any existing difficulties. It could trigger the beginning of a new relationship or renewal of an old one. It is not the best of times to be alone. Seek out family and friends, or go someplace where people are.

Feb 27, 2016 (Feb 26, 2016 to Mar 16, 2016) Ven 7th H.

TRANSITING VENUS IN THE SEVENTH HOUSE--Venus transiting in the houses influences how you express yourself socially, romantically, and artistically in the various areas of your life. In the seventh house it highlights popularity, social ability and the ability to deal with the public. Marriage and close personal relationships will be important to you now. You have great ability to express love, therefore you receive love in return. You may marry and prosper from marriage during this time.

Feb 28, 2016 1 AM(Feb 28, 2016 to Feb 29, 2016) Ven Sqr Nep

TRANSITING VENUS SQUARE NATAL NEPTUNE--This transit stimulates the imagination, influences daydreaming, and usually indicates a pleasant interlude. Care is needed with relationships as you could expect the unrealistic ideal. New relationships begun at this time may not be reality based. You may indulge in fantasies, feeling that they are more real than the concrete things and relationships in your life. This aspect will not last long, so make no permanent decisions while it is in effect. Just wait it out. It would be a good time for prayer and meditation.

Feb 28, 2016 12 PM(Feb 28, 2016 to Feb 29, 2016) Ven Sxtil Jup

TRANSITING VENUS SEXTILE NATAL JUPITER--Sextile aspects are supportive, and this transit brings tranquility. You are at peace with the world and want to share it with everybody. It is a time for rest and recreation, and social activities will be pleasant. It is a favorable transit for financial enterprises, and legal matters decided now are likely to be in your favor. You may feel a lack of discipline and unwillingness to work.

Feb 28, 2016 7 PM(Feb 28, 2016 to Feb 29, 2016)

Sun Oppos Plu

TRANSITING SUN OPPOSITE NATAL PLUTO--This transit could bring intense encounters with other people and circumstances. There could be power struggles with authority, where you would be forced to stand up for your position. However, you should avoid acting in overbearing or domineering ways. Aspects of your life which you have not understood or may have chosen to ignore are coming to the surface in your consciousness at this time, and can be causing these conflicts. There can also be breakdowns in relationships where honest confrontation is indicated. This energy and discomfort should be used to make assessments of certain areas of your life and to make sweeping and fundamental changes which you have not previously had the power to make. Changes should also be for the greater good, or they won't work. Pluto is the planet of regeneration, and when you improve yourself, it reflects in your world.
